

Tabling of Documents

Alexander Sammurtok, MLA

Rankin Inlet North-Chesterfield Inlet

February 2023

Safe Place Facility in Chesterfield Inlet

Thank you, Mr. Speaker.

I wish to table today a document that includes the names and signatures of 23 Chesterfield Inlet residents who have written in support of building a new safe space facility for the community.

Although this document does not strictly conform to a formal petition under Rule 43, it demonstrates the position of my constituents on this important issue.

Thank you, Mr. Speaker.

(MLA)

Petition for building a "SAFE PLACE"

104-6(2)
Feb 28/23

I, Shawna Mullins would like anybody who is interested in building a new building specifically as a "SAFE PLACE" where anybody in distress or just needs a safe space without judgement to be built HERE in CHESTERFIELD INLET.
