Rent Scale in Chesterfield Inlet

Thank you, Mr. Speaker.

I wish to table today a document that includes the names and signatures of 27 Chesterfield Inlet residents who have written in support of a rent scale review and adjustment.

Although this document does not strictly conform to a formal petition under Rule 43, it demonstrates the position of my constituents on this important matter.

Thank you, Mr. Speaker.

PETITION FOR RENT SCALE TO BE ADJUSTED

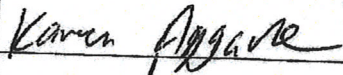

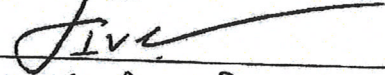

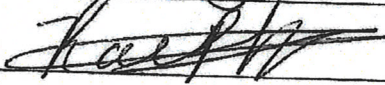

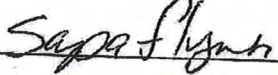

Why do we have to choose food or housing? a lot of empty fridges w/ hungry families. Change that!

I would like the help of our community members to join in on this petition to help raise awareness of the "RENT SCALE" held by the HOUSING ASSOCIATION that is currently and has been charging tenants based on their "GROSS INCOME"
