Inuktitut Speaking Teachers Receiving Bilingual Bonus in 2023

During our appearance, a member of Standing Committee requested information on the number of Inuktitut-speaking teachers in Iqaluit schools, Like other Government of Nunavut staff, teachers who are proficient in Inuktitut receive a language allowance, The language allowance is application-based, so we encourage any educator proficient in Inuktitut but not receiving the language allowance to speak to their school leaders about applying, Below is a list of the number of educators in each school receiving the language allowance.
