RE: Letter of Support – New Terminal and Granular Supply

On May 25, 2022 Hamlet Council had their Regular Council Meeting. Mayor Tony Amauyak informed rest of Council that where present, that short meeting had occurred with himself (Mayor), Alexander Sammurtok (MLA Rankin Inlet North – Chesterfield Inlet) also SAO Peter Sr. Kattegatsiak present.

Mayor Amauyak informed Hamlet Council that a letter of support be sent for New Terminal Chesterfield Inlet to Government of Nunavut that it (Proposed New Terminal) be tendered individually for Chesterfield Inlet, also to have crushed gravel stockpiles (Granular Supply) be produced in Chesterfield Inlet Nunavut

Hamlet Council discussed the needs for Hamlet of Chesterfield Inlet, that crushed gravel stockpiles (Granular Supply) be produced to upgrade roads, future lots, future projects also the new terminal building be put out on tender individually for the three communities.

Hamlet council passed a motion #05/25/07 support you to have proposed New Terminal for Chesterfield Inlet be put out on tender individually and for crushed gravel stockpiles (Granular Supply) be looked into.

Sincerely,

Tony Amauyak
Mayor Hamlet of Chesterfield Inlet
Chesterfield Inlet, Nunavut
