Alianait Launches Aeroplan Charitable Pooling Campaign

Alianait has partnered with Aeroplan to invite community members and supporters to donate Aeroplan Miles **from now until March 19, 2018.**

The donated miles will be used to fly artists and musicians to Nunavut communities to provide concerts and workshops and to give youth opportunities to build skills through music and art.

Donating miles is easy, either online at www.alianait.ca/Aeroplan or for donations under 1,000 miles, donors can simply fill out the attached form and follow the instructions.

People can donate any amount of Aeroplan Miles they choose, no matter how big or small. Every mile counts!
