Re: Public Housing

Dear Ms. Nakashuk:

of housing

Thank you very much for bringing the Government of Nunavut's deliberations on the construction units in our community to our attention. We have discussed this matter at our Council Meeting yesterday, and Council had unanimously decided that any new housing units built in Pangnirtung should be dedicated public housing untis rather than Government of Nunavut staff housing. It is our understanding that currently there are several Government staff housing units vacent, and there is a long waiting list for people seeking public housing units.

If you have any further questions, please feel free to send me an e-mail or give me a call.

Quanamiik,

Stevie Komoartok

Mayor, Hamlet of Pangnirtung
