Divisional and Mayor's Report

During September 2026, the Pangnirtung RCMP Detachment responded to numerous calls for service, conducted criminal record checks, and provided a broad range of policing and community assistance. Throughout the month, members responded to 113 calls for service, with 8 occurrences resulting in criminal charges. The detachment also managed a significant prisoner workload, with 37 prisoners lodged in cells during September 2026. Members remained committed to proactive policing, public safety, and supporting the needs of the community through enforcement, prevention, and assistance activities.

September 2026 marked a period of leadership transition for the Pangnirtung RCMP Detachment. Sgt. Scott Kirychuk departed the community to pursue a new posting in Saskatchewan. At the same time, Cpl. Cedric Mwanga arrived on a 90-day temporary assignment from the Qikiqtarjuaq RCMP Detachment to assume the role of Detachment Commander. Upon his arrival, Cpl. Mwanga began engaging with key community stakeholders and had the opportunity to meet with the mayor and members of Council. He also initiated outreach efforts with important community partners, including the elementary school and high school, to strengthen relationships and support ongoing collaboration between the RCMP and the community.

During the same period, the Pangnirtung RCMP Detachment welcomed several relief members who assisted in responding to calls for service and maintaining operational capacity. Cst. Mario Gougeon (Relief), Cst. Blair Gibson (Relief), and Cpl. Domenico Consales (Relief) provided valuable support to front-line policing operations throughout the month. In addition, Cst. Victor Poirier continued a gradual return-to-work plan and contributed significantly to the detachment through administrative support duties, helping ensure the continued effectiveness of daily operations and service delivery.

DETACHMENT PRIORITIES

THE INITIATIVES ARE CONSISTENT WITH THE APP/VISION 150 OBJECTIVES AND VARIOUS PRIORITIES OFTEN OVERLAP

2026-2027 RCMP - Community Objectives

<i>Reconciliation and Community-Based Policing Initiatives</i>	By participating in community-led initiatives and leveraging the use of local Restorative Justice Program, share information and refer individuals at risk for better support
<i>Community Safety and Crime Reduction Initiatives</i>	Collaborate with partners to support community interests and priorities through local conversations and collaborative planning
<i>Violence Mitigation Strategies for Elders and Vulnerable Persons</i>	Partnership with territorial and community-based organizations to find local solutions to prevent crime and victimization

Pangnirtung Monthly Report –September
2026

Reconciliation and Community Based Policing Initiatives

Cpl. Cedric Mwanga established a channel of communication between the Pangnirtung RCMP Detachment and the local Community Justice Committee through Community Justice Leader Anna. As a result of this collaboration, the detachment was able to refer two files for consideration under community justice alternative measures. Moving forward, increasing the use of appropriate referrals will form part of the detachment's strategic planning, with a focus on strengthening partnerships and promoting restorative approaches to justice. Community justice alternative measures provide eligible individuals with an opportunity to be held accountable for less serious offences outside of the traditional court process. These measures support rehabilitation, encourage community involvement in resolving conflicts, and help alleviate pressure on the criminal justice system, including the courts and police resources.

Community Safety and Crime Reduction Initiatives

The Pangnirtung RCMP Detachment continues to rely on relief members from various regions across Canada to maintain operational effectiveness. While these members bring a wealth of experience and diverse policing backgrounds, the frequent rotation of personnel can present challenges related to community familiarity and navigation within the hamlet. To support both community safety and officer safety initiatives, the detachment developed a Google Maps-based mapping tool that provides members with an interactive reference of residences, landmarks, and key community locations. This resource enables relief members to locate addresses more efficiently, respond to calls for service more quickly, and improve overall service delivery, allowing officers to focus on responding to incidents in a safe and timely manner.

Violence Mitigation Strategies for Elders and Vulnerable Persons

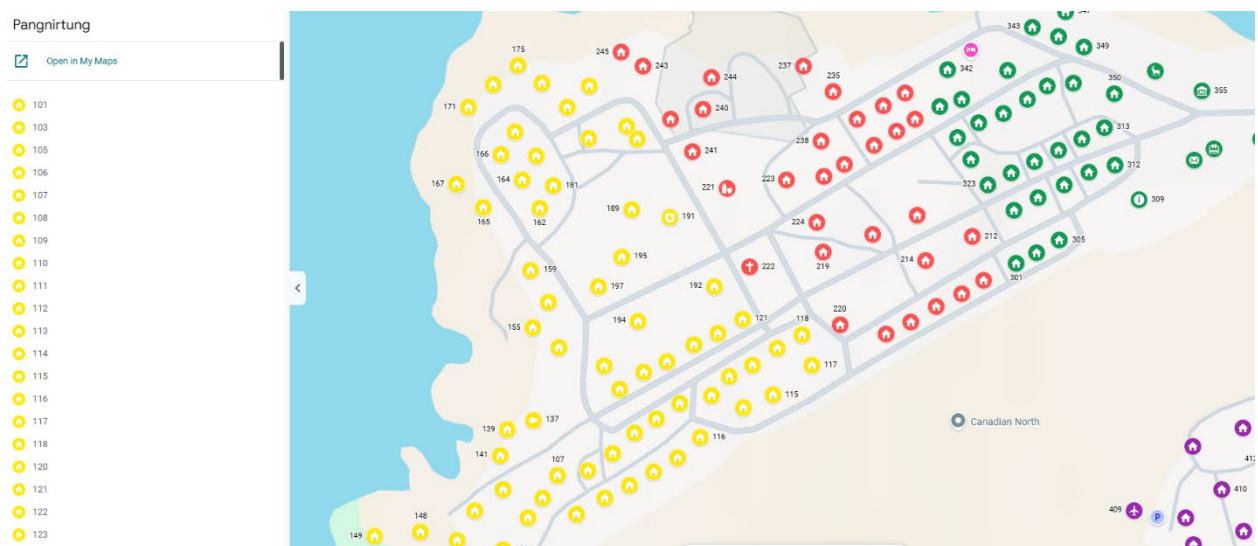

Throughout September 2026, the Pangnirtung RCMP Detachment placed a strong emphasis on school engagement and visibility. Regular visits were conducted at local schools to maintain a positive police presence, foster relationships with students and staff, and reinforce the message that violence, bullying, and threats against vulnerable persons will not be tolerated. During the month, Cpl. Cedric Mwanga met with the newly appointed school principal and participated in interagency discussions focused on enhancing school safety. These collaborative meetings explored strategies to prevent and respond to potential incidents, including the development and review of mock emergency scenarios designed to improve preparedness, coordination, and overall safety within the school environment.

Pangnirtung Monthly Report –September 2026

Digital maps of Pangnirtung available through Google Maps, enabling RCMP relief members to quickly identify locations and navigate the community during operational duties.

Pangnirtung Monthly Report –September
2026

Relief member Cst. Yoo leads a stretching session with elementary and high school students prior to the annual Terry Fox Run/Walk in Pangnirtung. The pre-event warm-up brought students and community members together in preparation for the run/walk around town, promoting physical activity, community spirit, and support for cancer research.

Relief member Cst. Gougeon shares a friendly game of checkers with a local elder. Despite a determined effort, Cst. Gougeon was ultimately defeated, that highlighted the elder's skill and the positive relationships being fostered between RCMP members and the community.

Pangnirtung Monthly Report –September
2026

Detachment employees and regular members gathered to celebrate Cst. Poirier's birthday, sharing a moment of camaraderie and appreciation. The celebration provided an opportunity for staff and members to connect outside of their daily duties, helping to strengthen teamwork, foster positive working relationships, and contribute to a supportive detachment environment.
