Title: Inuusivut Anninaqtuq Suicide Prevention Strategy 2017-2022

1. With respect to Outcome 5-3 of the Inuusivut Anninaqtut Action Plan 2017-2022, how many annual progress reports on the implementation of the Action Plan have been produced to date?
2. Broken down by Outcome, what specific progress has been achieved on Outcomes 1-1 through to 8-4?
3. Broken down by Actions, as listed under Outcomes 1-1 through to 8-4, what work remains to be completed?
4. Broken down by Action for which the Government of Nunavut is the lead agency, what barriers and challenges, if any, have been identified with regard to fulfilling the Government of Nunavut's responsibilities?
5. Are existing human and financial resources sufficient to ensure that the Government of Nunavut will be able to fulfill its responsibilities for those Actions for which the Government of Nunavut is the lead agency?
