

## **Written Question**

Asked by: John Main, MLA Arviat North – Whale Cove

Asked of: Honourable Elisapee Sheutiapik, Minister of Family Services

Number: 43-5(2)

Date: June 5, 2019

Subject: Training Plans for Major Construction Projects

---

**Question 1: For the Fiscal Years 2016-17, 2017-18, and 2018-19, which specific Major Construction Projects with a labour component value in excess of \$1,000,000 had a training plan developed and completed with assistance from the Department of Family Services, as required through the GN procurement process?**

**Question 2: For the Major Construction Projects referenced in the answer to Question 1, who was the contractor?**

**Question 3: For each of the training plans referenced in the answer to Question 1, what were the specific training targets established within each, including those related to tradespersons and other positions?**

**Question 4: For each of the training plans referenced in the answer to Question 1, were the training targets met by the respective contactors?**

**Question 5: For training plans developed in cooperation with Family Services, how often are contractors providing activity reports and/or updates to the Department?**

**Question 6: What type of monitoring regime is in place regarding the above mentioned training plans, in terms of who monitors, when, where and how?**

**Question 7: What consequences and/or penalties are imposed on contractors who fail to prepare a Training Plan, or fail to meet targets outlined under a Training Plan?**
